

Proposed Organisation and Structure of ABCDE

by

Dr. B. G. Yeoh

**Former Chairman, ASEAN Sub-Committee on
Non-Conventional Energy Research**

E-mail: bgyeoh@yahoo.co.uk

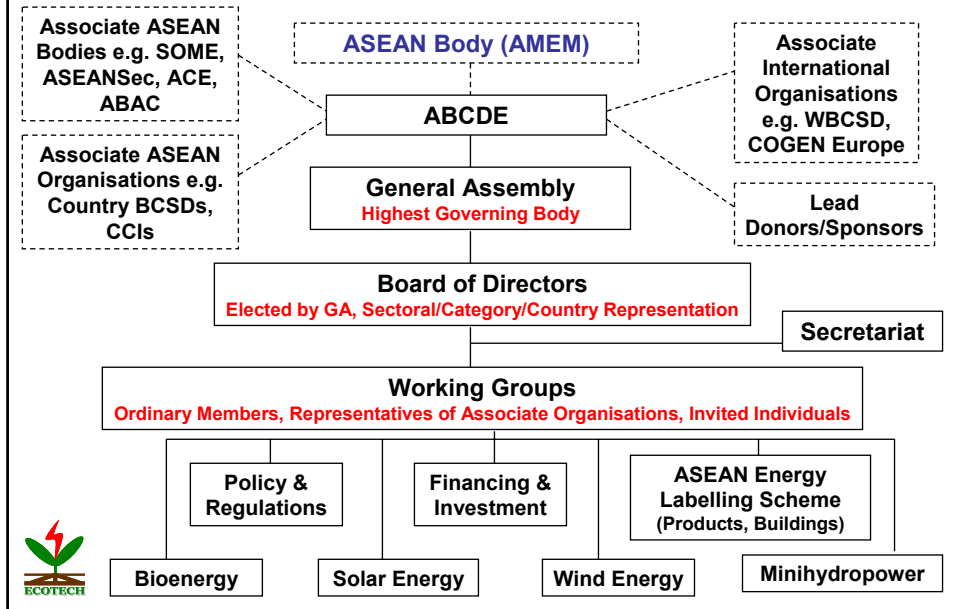

Key Objectives of ABCDE

- ✓ To be recognised as an ASEAN body representing the private and business sector in energy
- ✓ To organise the voice of private sector in ASEAN on sustainable energy and environment
- ✓ To network with associated regional and international organisations (particularly in EU)
- ✓ To provide relevant services and information to members
- ✓ To entice and mobilise financing and investment in energy

Proposed Organisation and Relationship with ASEAN and International Bodies
